Name: Stephen K. Cook  
Street: 7010 Tiffany Court  
City, State, Zip: Bealeton, VA 22712  
Phone Number:  
Email:

Utility Type: all

Company Name: Power, cable & phone

Comments: I am very much in favor of lines being placed underground where feasible. Aesthetically the benefits are obvious. However, certain situations may not be worth the effort. An example of this may be where natural systems could be disturbed beyond repair and thus prove to be an environmental problem or where the cost may prove too much in relation to the benefit aesthetically.
